State of the implementation of LEADER / CLLD

State of implementation of Leader cooperation in your country during 2014-2020

(small description about the state of progress of Leader cooperation in your country – projects in progress)

Transnational project Austria – Baltic States started in Feb 2019

- Currently we are working on a transnational project with the Baltic states to exchange experiences (Baltic representatives visited Austria in April and Austrian representatives will visit the Baltic states in June with inspecting projects in the several countries and meeting mayors and representatives of the authorities etc.) It is planned to implement a project in cultural heritage – especially to promote the cultural sites of each country and to share the knowledge and marketing tools (f.e. to develop a folder, work on effective marketing tools)

Main principles of LEADER cooperation

Main principles of Leader cooperation in your country during 2014-2020

(small description about the main principles of Leader cooperation in your country :
budget, implementation (national or regional call of projects, LAGs initiative, main
rules important to know for partners, main thematic or partner research)

Budget: ca. 2 Mio Euro

Implementation: national call of projects, often LAGs initiative,

Main rules: team work, tough implementation, ambitious engagement, fight against
obstacles and barriers, persistence to reach the targets

Main thematic: rural tourism,
cultural, environmental (f.e. climate change), nature, social and economic issues
