From LEADER to CLLD in Hungary

○ National territory ● Covered territory by Rural LAGs

State of the implementation of LEADER / CLLD

State of implementation of Leader cooperation in Hungary during 2014-2020

A Hungarian LAG can appear in 5 cooperation projects (2 international + 3 interregional). A LAG can be a member of the consortium as well. Most of the LAG-s have took this opportunity and they can not take part in more applications.

State of support applications:

- 238 support application have been submitted since 2017.07.31.,
- 70 application have been supported so far,
- 62 have been withdrawn,
- 39 have been rejected,

No paying application are submitted yet.

Main principles of LEADER cooperation

Main principles of Leader cooperation in our country during 2014-2020:

There is one national call for proposal with 2 target areas:

- Interregional cooperation (min. 3 Hungarian LAGs can cooperate with each other or 1 LAG and 2 applicants from different LAG area as a consortium),
- International cooperation (one Hungarian LAG can cooperate with other LAG(s) from the EU)

Only the acknowledged Hungarian LAG can supply applications.

The expenses of the cooperating LAG from the EU are not financed.

Deadline for submitting: 2019.06.27.
