## Main principles of LEADER cooperation

- Cooperation is integrated into the LDSs
- Projects can be submitted on an ongoing basis
- Implementing bodies (Marshal Offices – regional level) selects preparatory actions as well as cooperation projects as delegated tasks of the Managing Authority
- Aid is granted for the cooperation activities if the operation obtains at least 21 points in the evaluation carried out by Implementing body according to the approved selection criteria (the highest one – „at least one foreign partner is involved in the implementation of cooperation project” -8 points)
