Brief summary of the project idea (max 800 characters)

<p>The LAG gathers 6 rural communities and is known as the “thousand ponds region”. The diversity of species and landscapes is a great opportunity to develop outdoor activities for locals and tourists, such as walking trail, bike path or birding trail.</p> <p>We wish to promote local assets (like natural resources, local gastronomy, traditional fishing) by developing a tourist destination about nature and wildlife watching.</p>

OBJECTIVE

Initial position / background / local context of the proposed project (max 800 characters)

The starting situation or local context in which the projects is going to operate

The LAG gathers 6 rural communities and is known as the “thousand ponds region”. It is a Natura 2000 area, and we aimed to be labelled as a RAMSAR site. Fish production is highly developed and highlighted with special events (Journées Poissons de Dombes : “Dombes fish days” with lots of activities about traditional fishing, local fish meals in restaurants, discovery of fish products like fish leather...) . Now we would like to expand the offer by promoting other natural resources.

Proposed objectives / target group and activities (max 800 characters)

Proposed objectives: tourist diversification / Develop a tourism offer about local heritage, gastronomy and nature

Target group : tourists with an interest to outdoor activities and wildlife, birders

Intended actions :

- Marketing about target-groups
- Implement new activities: pedagogic nature walking path, guided tour with an ornithologist, tourist route for bikers, for birders, for horse riders, ...
- Territorial branding
- Promotional event of local knowhow
- Best practices exchanges
- ...

Country and /or kind of partner you are looking for (ALL EU in case the interest is on any EU country)

ALL EU

We are looking for partners who offer a nature tourist destination / who are a bird-watching destination, or partners who wish to develop such a destination.
