

Historical Iron Work area- project is looking for partners

Partners

Finland: LAG Karhuseutu, Iron work area Leineperi

Background

Leineperi area is cultural-historical unic area in Satakunta region surrounded by beautiful nature. In the area are working now 15 local handicrafts entrepreneurs. There is one restaurant and museum. Also amateur theatre is playing there.

There are still missing some actions for the families. Also need to find out the right way to present history for the children and to the audience.

Objectives

- make the area to the tourist attractions
- create the guidings; sign, virtual guiding, guiding
- create actions to the families

Joint Actions

- marketing local products to the international fair (social media)
- handicraft recidence exchange
- to promot local cultural to the abroad (sauna from Finland)

Local Actions in Finland

- to promote ancient historical Finnish beer
- make the guiding in the historical area
- create the virtual guiding system
- teach the role playing guides to the area.
- amateur theatre can make the street theatre
