Eurooppa investoi maaseutualueisiin.

"Crazy Games"- transnational project

Partners:

Background:

Originally the event was part of the Week of Lavia, which was held every year for the past several decades. During the week an acceleration race of riding lawnmowers was hold. This gathered enough audience to warrant a decision to continue the races.

Problems:

We want to spread to the world these funny national games

Goals:

a) Promote tourism Visitors are sought both nationally and internationally.

b) Promote knowledge of the culture.

d) To create a field for the local entrepreneurs, where they may advertise themselves and sell for the large audience.

f) Learn from partners, if they organize any similar crazyness, learn how others organize crazy events, benchmarking.

Actions:

Joint -Study tours to events in partnering countries. -Linking websites with partners.

Local

Snowmobile-shuttlebus transport between two places. Can pull sleds of 10-20 people. Ski-do shuttlebus.
