Topic / title of the proposed project “Water-Ski”

Objective:

Initial position / background / local context of the proposed project
 City of Kurikka’s water-ski organization is acting under the Finnish Water Ski Sports with Harjavalta water- ski organization. They are planning to make an international project together. Water Ski Association was founded in Finland in the 1960's, but water-skiing is a relatively new sport and hobby in Finland, so this would be a good start to develop.

Proposed objectives / activities

- **Water-ski camps for each of the partner countries.**
 - o Duration 1-2 weeks at summer time per year
 - o participation of young people 10 to 20 per country
- **Finnish camps encompass international event**
 - o water-skiing competitions
 - o workshop activities
 - o presentation to the public
 - o experiment day on public
- **Creating more information and material about Water- Skiing**
 - o educational video
 - o web sites between the partners

Country and /or kind of partner you are looking for
