

COOPERATION OFFER DETAILS

Project title	Exchange Project of Vocational Training Institutions specialized in Hotel Management and Business Administration
Summary of project idea:	The Berufsbildende Schule (Vocational Training Institution) Bernkastel-Kues/Germany initiates a first contact with a vocational training institution in Poland that in terms of structure and occupational fields is organised in a similar way. A memorandum of understanding between the partnering institutions will be designed in order to come up with exchange projects for students, courses and teaching staff.
Local context in which the project is going to operate (starting situation):	The Berufsbildende Schule Bernkastel-Kues is a public vocational training institution situated in a rural area in Rhineland-Palatina/Germany. The number of teaching staff ranges at appr. 70, the number of students at appr. 1200. The Town Bernkastel-Kues is a subcenter in the valley of the Mosel river that is characterized by steep slope viticulture in large extent and tourism on a high quality level. The educational courses of the vocational training institution are dominated by occupational fields related to hotel management and business administration. Furthermore Berufsbildende Schule Bernkastel-Kues runs a close cooperation with the Dienstleistungszentrum ländlicher Raum (DLR) Mosel that incorporates the vocational training centre for viticulture. Another course being implemented in the run up of the current academic year is geriatric care.
Project objectives, target group and activities:	<p>Start up contact with a similarly organised vocational training institution in Poland is initiated.</p> <p>Two-way-visits of institutional representatives are held, a memorandum of understanding for the exchange project is set up.</p> <p>Target group is both, students and teaching staff of the partnering institutions.</p> <p>Exchange activities between students, courses and teaching staff are held in order to improve technical, language and intercultural skills and competences.</p> <p>Offers of different internship models are elaborated and implemented.</p>

Type of partner you are looking for:	Vocational Training Institution specialized in Hotel Management and Business Administration. Specialization of geriatric care/social services is also most interesting.
