FENIX

- The Riverside Youth Goes International

The general objectives of the international co-operation project:

- Develop both local and international activity of the youth in the countryside
- Youth gets assistance in creating connections to young people in other countries
- Youth from participating areas will compare their village and its activities to villages in other participating areas
- Give to youth a chance to get acquainted with Leader action in local as well as in international level
- Give possibilities to find contacts that will last long after the project is finished

Actions and activities in FENIX - project

- The youth groups will...
 - Create presentations, joint web-pages, Facebook-groups in the internet
 - Make short films of their own area and their activities
 - Participate in planning the contents of the three transnational events
 - Take part in the transnational events
 - Produce part of the program in the events
 - Have more friends and...
 - **Have fun with other youth !!**

How administration cooperates?

- All the details of cooperation are included in the joint agreement and action plan of the FENIX-project
- Riverside Partners is the Lead Partner of the project
- Weekly contacts between project managers by email or skype or facebook, etc.
- Steering group meetings when we have joint FENIX-events
- Joint web-page www.fenixyouth.com opened on January 2011
